Golf-a-Thon Raises Thousand\$

Fun event helps homeless.

Palatine, IL, November 13, 2009

More than 100 avid and not-so-avid golfers raised all-important funds to assist the homeless in Golf Nation's 2nd Annual Golf-a-Thon. The event benefited Journeys from PADS to Hope which serves individuals in the northwest suburbs.

Golfers paid \$25 to the charity and some obtained pledges as well. In return participants played virtual golf at Pebble Beach or 50 other famous courses and received gift packs stuffed with goodies including a deluxe t-shirt commemorating the event.

"We know that with the tough economy, there is a big demand for the services that Journeys provides so we're delighted to have a unique event like this where golfers and non-golfers had so much fun. said Golf Nation General Manager Tim Wuhrman.
