Navy Officer becomes 500th Member

Unique Club experiences outstanding growth ahead of 1<sup>st</sup> anniversary.

Palatine, IL, January 5, 2009

It's all too common to read negative stories during these tough times, but Golf Nation in Palatine is bucking the trend. With their first anniversary still a couple weeks off, the Year Round Golf & Fitness Club just added its 500<sup>th</sup> Member and there is a Patriotic twist. Navy Officer Randy Teeters, who recently moved to the area from Hampton Virginia, became the 500<sup>th</sup> golf and fitness enthusiast to join the Club.

Randy plays on the Navy Golf Team and competes in the Armed Forces Golf Championships. For his "day job", Randy runs recruits through 13-hour Battle Station trainings on an actual ship that floats indoors in a 99,000 gallon tank at Great Lakes. The ship, which Universal Studios helped design, enables Randy to simulate floods, fires and terrorist attacks to help prepare for the unexpected.

"We are so pleased with Golf Nation's growth and this shows that our Club is even more important during stressful times" says Tim Wuhrman, Golf Nation's GM. "We're honored that Randy not only serves to protect our Country but also plays on the Navy Golf team."

**Golf Nation is a first-of-its-kind, Year Round Golf & Fitness Club where golfers of every skill level can play, improve and enjoy the world's greatest game all year at the 25,000 square foot, multi-million dollar facility.**
