Golf Nation Selected Among Best in Nation

Ranked in the Top 100 Golf Ranges in America by *Golf Range Magazine*.

Palatine, IL, March 2011

After being named the number one new facility in America of 2008, Golf Nation has again been recognized as one of the best golf facilities in the nation by *Golf Range Times*. "We're very proud to be nationally recognized for our facility that has so much to offer," says General Manager Tim Wuhrman. "We've added a lot since we were last featured in the magazine, and it's great to see such a positive response."

Since its grand opening, Golf Nation has expanded to include a cycling room, a yoga and TRX workout area, and the outdoor Scoring Zone. *Golf Range Times* praised Golf Nation for its unique combination of fitness and golf in one year-round facility. Golf Nation provides a one-stop experience that offers extensive indoor and outdoor golf training, state-of-the-art fitness equipment, as well an appealing social aspect including a luxurious Member's lounge and bar. Successfully tying all these together is what makes Golf Nation "one of the most interesting facilities in the USA" (*Golf Range Times*).

While winter may be behind us with warm weather rolling in, Golf Nation still has much to offer during the summer. The outdoor range and Scoring Zone allow members and guests to improve their game in the sun without a tee time and the bar and lounge offer a great place to have a drink and enjoy a baseball game on one of its many TVs. Golf Nation is truly one of the most unique year-round facilities in America and has again been recognized as such.

"With all the stress of today, I definitely need this getaway, mentally and physically. I am not here as often as I'd like, but the Membership is well worth it. Golf Nation helps me stay focused for what lies ahead of me."
