Area golfers of all ages can now play, improve and enjoy the game year round. Located on Quentin Road and opening fall 2007, this vast facility sits on three acres and offers something for everyone including avid golfers and beginners.

- ◇ **Golf-** virtual golf with more than 50 top courses, real sand traps, true-roll putting green and short game areas, outdoor driving range and Par 3 hole, group clinics and private golf instruction.
- ◇ **Fitness-** state-of-the-art equipment, group exercise classes, personal training and clinics.

"There are so many people in the area that love golf and really dislike giving it up in the winter. Others are just trying to learn the game in a friendly environment and all of us need to exercise" says Adriane DiMeo. "People love the idea. We already have nearly 50 Members and haven't even started marketing!"
